Two cars approach the valet parking at the same time. One is a beat-up, broken car, and the other is a shiny, luxurious first-class car.

Scene 3: Build-up – The Valet's Choice

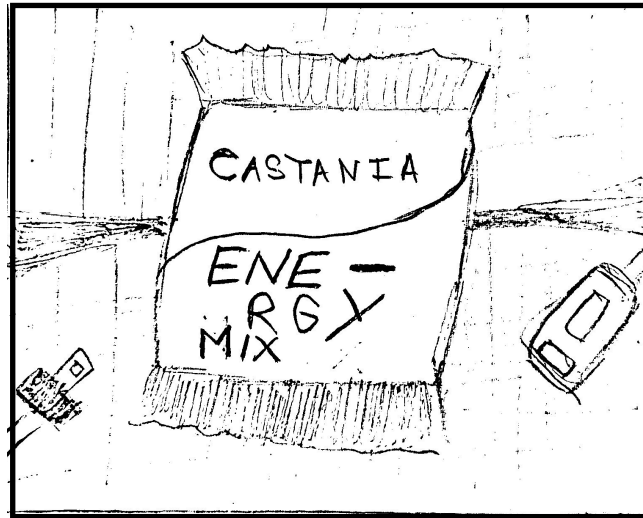

The valet stares at both cars arriving at the same time. He immediately walks toward the fancy car with admiration, ignoring the broken one. The camera shows a close-up of his hand as he gives the woman driving the broken car a dismissive wave to park far away.

Scene 4: Seduction Attempt - Confortation

As the valet dismisses her, the camera focuses on the woman adjusting her position as her body language becomes more confident and seductive. The camera zooms in on her perfectly manicured hand resting on the car door, her fingers tapping lightly. She rolls down the window slowly, her eyes lock on the valet, challenging him to reconsider

Woman (leaning closer, more seductively):
"زبطلنا ياها"

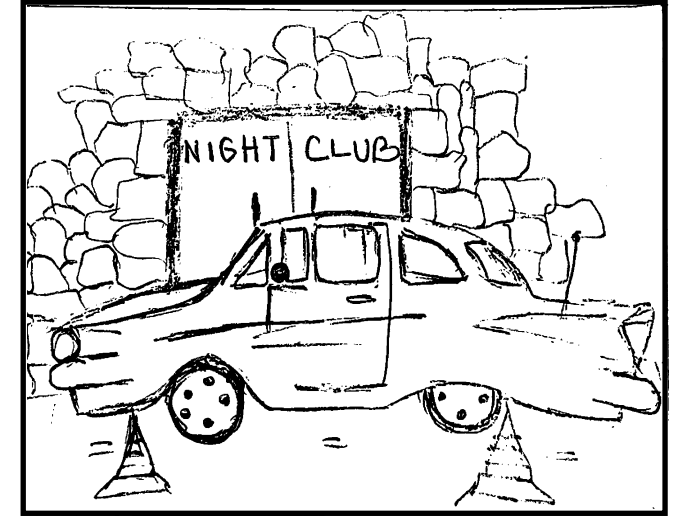

Scene 5: Surprising Element – The Snack Discovery

As the valet turns away, he suddenly freezes and looks back towards her car. The camera zooms in on the passenger seat of the broken car, where Castania Grab-and-Go snack is visible. The valet's eyes widen, leans closer, couldnt take his eyes off the snack.

Dialogue (Woman, playfully, noticing his interest):

"بتشيل كاستانيا؟"

Scene 6: The Shift - Snack Wins the Valet

He steps back, a grin on his face, and gestures grandly to her to park in the prime spot, previously reserved for the fancy car.

Scene 7: Conclusion – The Wealthy Man’s Confusion

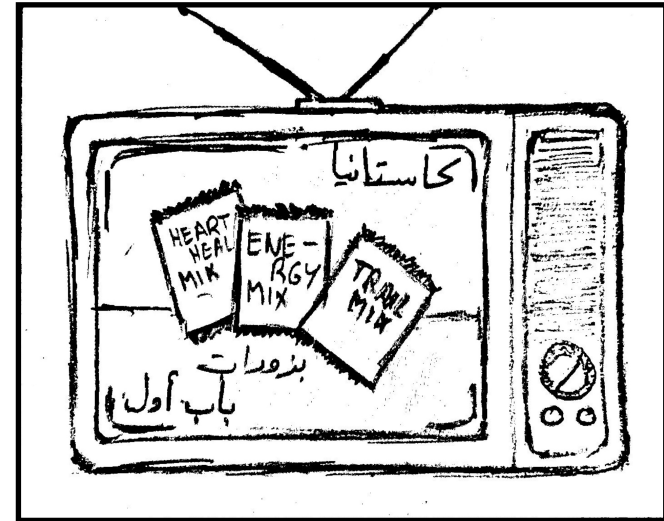

The wealthy man watches in disbelief as the woman parks in the prime spot. He rolls down his window and calls out to the valet, clearly confused and annoyed.

Wealthy Man (Dialogue):

”شہ، صفتھا بالاول؟“

Valet (pointing to the snack with a smirk):

”لأنو معها بزورات باب اول!“

Scene 8: Closing – Call to Action

The screen fades to black, and the logo of the Castania Grab-and-Go Snack appears on screen, with packs of the snacks highlighted in the center. The upbeat music continues in the background, and the camera zooms in on the packages with the slogan appearing around.

”کاستانیا بزورات باب اول!“
